

ABOUT US

Waterfowlers R Us is a small waterfowl shop and dog training group. Our mission is to provide a local shop environment while providing the necessary information, skills and items for sportsmen and woman to enjoy their bird hunting and dog training experience.

We are bird hunters who know how hard it is to maintain multiple rigs for ducks, snows geese, and canada geese. This is why we have put together a rental rig so people like us can enjoy snow goose hunting.

Extend Your Hunting Opportunities!

Waterfowlers R Us offers a rental snow goose rig to clients with fields they currently maintain in South Central and South Eastern Pennsylvania, Maryland and Delaware.

This service will allow hunters to assist with the US Fish and Wildlife Snow Goose Management initiatives while continuing to allow for hunters to enjoy their sport without the cost of their own rig.
